Sources Sought Notice (SSN)
Assistant Deputy Commandant Programs & Resources (ADC P&R)
Financial and Administrative Support Services

I. DISCLAIMER:

THIS NOTICE IS FOR INFORMATIONAL PURPOSES ONLY. IT DOES NOT CONSTITUTE ANY FORM OF A SOLICITATION INCLUDING A REQUEST FOR QUOTE (RFQ), REQUEST FOR PROPOSAL (RFP), OR INVITATION FOR BID (IFB) OR AN INDICATION THAT THE GOVERNMENT WILL CONTRACT FOR ANY OF THE ITEMS AND/OR SERVICES DISCUSSED IN THIS NOTICE. ANY FORMAL SOLICITATION THAT MAY BE SUBSEQUENTLY ISSUED WILL BE ANNOUNCED SEPARATELY ON THE GOVERNMENT-WIDE POINT OF ENTRY (GPE), HTTPS://SAM.GOV, IF APPLICABLE. INFORMATION ON THE SPECIFIC TOPICS OF INTEREST IS PROVIDED IN THE SECTIONS OF THIS ANNOUNCEMENT WHICH FOLLOW. ANY INFORMATION SUBMITTED IN RESPONSE TO THIS NOTICE IS STRICTLY VOLUNTARY AND WILL NOT BE RETURNED BY THE GOVERNMENT. NEITHER MCICOM CONTRACTING NOR ANY OTHER PART OF THE FEDERAL GOVERNMENT WILL BE RESPONSIBLE FOR ANY COST INCURRED BY RESPONDERS IN FURNISHING RESPONSES TO THIS NOTICE. NOT RESPONDING TO THIS NOTICE DOES NOT PRECLUDE POTENTIAL RESPONDERS FROM PARTICIPATING IN ANY FUTURE SOLICITATION FOR THIS REQUIREMENT, IF ANY. IT IS THE RESPONSIBILITY OF ALL POTENTIAL RESPONDERS TO MONITOR THE GPE FOR ADDITIONAL INFORMATION PERTAINING TO THIS REQUIREMENT.

II. BACKGROUND INFORMATION:

The United States Marine Corps (USMC) Marine Corps Installation Command (MCICOM) Contracting Office is conducting baseline market research under this Sources Sought Notice (SSN) for the purposes of identifying market interest in, and current capability within, the small business community for performing the Assistant Deputy Commandant for Programs and Resources (ADC P&R) Financial and Administrative Support Services set forth within the DRAFT Performance Work Statement (PWS) included as enclosure 1 to this notice. The DRAFT requirements described herein are based on the current contract requirements set forth in contract GS10F0168W / Task Order M9549422F0021 under which, performance is set to expire 18 January 2026.

III. SPECIAL REQUIREMENTS:

A. It is presently anticipated that this requirement best aligns to North American Industry Classification System (NAICS) Code 541219 "Other Accounting Services", with Product Service Code (PSC) R499 "Support-Professional: Other", in keeping with their use for related historical contracts (See Section II Background above). The current Small Business Size Standard for NAICS 541219 is $25.0M. Respondents to this notice may suggest another suitable NAICS and PSC code combination for consideration, but the Government reserves the right to select the appropriate NAICS and PSC code for any related future solicitation/award for the services described within this notice. See Section V. below.

B. It is presently anticipated that any future solicitation for the services described in this notice would result in a single solicitation/contract award for the services described in this notice which may be competed or non-competed as permitted by applicable regulation/statute.

C. It is presently anticipated that any future solicitation and/or resultant contract for the services described in this notice will be a Firm Fixed Price contract/task order.

D. It is presently anticipated that any future solicitation and/or contract for the services described in this notice will contain FAR Clause 52.219-14 Limitations on Subcontracting. While FAR 52.219-14 was most recently updated in October 2022, CLASS DEVIATION 2021-O0008 (Revision 1) to this clause issued 15 February 2023 remains in effect and would apply to this requirement until rescinded or superseded.

E. It is presently anticipated that during the performance of any resultant contract for the services described in this notice, Contractor personnel will require/be provided access to controlled unclassified information (CUI) during performance and therefore, the applicable safeguarding requirements for CUI will apply.

IV. ELIGIBILITY:

It is presently anticipated, based on the anticipated acquisition parameters set forth in Item III Special Requirements

above, to be eligible as a prime contractor for any future contract for the services described in this notice interested parties must be a small business for assigned NAICS code. Notwithstanding the Government's focus within this notice on identifying market interest in and current capability specifically within the small business community, other interested parties may also provide responses to this notice should they choose**.**

V. Sources Sought Notice (SSN) Responses – Content, Format and Submission Requirements:

All current small businesses are encouraged to submit a response to this SSN identifying their potential interest in and capabilities for supporting the requirement and information requests described in this notice. The Government does not wish to obtain marketing materials, general business information or other information that is NOT tailored to address the specific requirements of this notice.

A. Interested parties must provide a tailored written response to this notice describing their interest in and capabilities for performing this requirement as detailed in Enclosure 1 DRAFT Performance Work Statement. All responses shall specifically:

1) Identify/define your company profile by providing at a minimum:

   a. Company Name

   b. Company Address

   c. Company CAGE code and Unique Entity ID

   d. Primary and secondary points of contact to include name, title, phone number, email address

   e. Status as a certified 8(a) program participant and estimated date of graduating the 8(a) program, if applicable

   f. All applicable socio-economic / ownership statuses [i.e., Tribally Owned, Alaskan Native Corp (ANC) Owned, Native Hawaiian Org (NHO) Owned, Small Disadvantaged Business (SDB), HUBZone, Veteran-Owned Small Business (VOSB), Service-Disabled Veteran-Owned Small Business (SDVOSB), Women-Owned Small Business (WOSB), Economically Disadvantaged Women-Owned Small Business (EDWOSB)]

   g. Status as a small business for the anticipated NAICS code for this requirement and for any suggested alternate NAICS codes included in your response.

   h. Status of the company's accounting system including the last adequacy/acceptability review date and the name, address, and point of contact for the cognizant government auditor [e.g. Defense Contract Audit Agency (DCAA)], independent auditor, or other party (if applicable) which performed the review.

2) Describe your interest in this effort as a potential Prime Contractor.

3) Describe your company's recent relevant experience [past three (3) years] and/ or current work experience performing under efforts of similar size, scope, and complexity as to those described in this notice, to include any correlation to/with the Defense Agencies Initiative (DAI) Financial System. Responses shall:

   a. Detail your company's specific technical skills that ensure the capability to meet the objectives and requirements in Enclosure 1 DRAFT Performance Work Statement (PWS).

   b. Describe similar work your company has performed or is currently performing and how it demonstrates your capability to perform the requirements detailed in this notice to include:

      i. The relevant contract / task order number and your company's involvement as a prime contractor or subcontractor, and

      ii. The percentage and dollar amount of the work your company performed.

4) Provide feedback/comments/concerns that may impact this requirement in the form of responses to the following questions:

a. Does your company believe there is one or more specific NAICS and PSC code combinations that would be better suited to this requirement than the anticipated NAICS and PSC code aligned to this notice by the Government? If so, which one(s) and why?

b. Does your company believe there is one or more specific contract type or types that would be better suited to this requirement than the anticipated contract type identified in this notice by the Government? If so, what are they and why?

c. Does your company see any risk areas or any concerns with this overall effort? If so, what are they and how would you mitigate them?

d. Does your company consider the PWS details and other notice attachments, if any, to be an adequate basis for submitting a proposal? If not, what additional technical information would be needed?

e. Does your company believe there are unique support requirements not correctly captured and/or articulated in the PWS? If so, what are they?

f. Does your company believe these services meet the definition of a commercial service as defined in FAR 2.101? If so, how?

i. Does your company currently provide similar services in support of commercial products or as standalone services to the general public under terms and conditions similar to those offered to the Federal Government?

ii. Does your company offer and sell these services competitively in substantial quantities in the commercial marketplace based on established catalog or market prices for specific task performed or outcomes to be achieved and under standard terms and conditions? For the purposes of these services:

1. "Catalog price" means a price included in a catalog, price list, schedule, or other form that is regularly maintained by the manufacturer or vendor, is either published or otherwise available for inspection by customers, and states prices at which sales are currently, or were last, made to a significant number of buyers constituting the general public; and

2. "Market prices" means current prices that are established in the course of ordinary trade between buyers and sellers free to bargain and that can be substantiated through competition or from sources independent of the offerors.

iii. Does your company offer these services (same or similar) under one or more GSA MAS, GSA MAC IDIQs, Navy Seaport; and/or other GWAC?

1. If so, what is/are the specific vehicle title(s) and your company's specific MAS/GWAC/IDIQ Contract Number(s) under that vehicle?

2. Of the MAS/GWAC/IDIQ contracts for which your company is a schedule / contract holder, which one(s) does your company believe that this requirement best aligns to / falls within scope and why?

B. All responses shall be formatted as follows:

1) Microsoft Word (.docx extension) or searchable Adobe PDF format.

2) Prepared using no less than 10 pt. Times New Roman and 1-inch margins.

3) Organized as follows:

a. Cover Sheet (limit 1 page in length) that includes:

i. Date of Submission
ii. Company Profile

b. Table of Contents with Page Numbers (limit 1 page in length)

c. Contractor detailed capability statement including answers to the SSN specific questions (limit 15 pages)

4) The inclusion of elaborate brochures or documentation, detailed artwork, or other embellishments IS NOT permitted.

5) The inclusion of United States Government Department/Agency/Office Symbols, Seals, or Insignia IS NOT permitted.

6) The inclusion of classified data IS NOT permitted. Responses to this notice must be unclassified. No classified response will be accepted.

7) The inclusion of cost/price data IS NOT permitted. No cost/price data will be accepted.

8) The inclusion of proprietary data in responses shall be minimized. The inclusion of any proprietary data in responses SHALL BE CLEARLY MARKED. Any proprietary data received in response to this SSN, appropriately marked, will be handled accordingly.

C. All responses to this notice shall be submitted electronically via email on or before **12:00 (12:00 PM) local time Washington DC 30 September 2026** to all of the following Points of Contact (POCs):

- Primary – Contracting Officer, David F. Godfrey at david.godfrey@usmc.mil
- Secondary – Contract Specialist, Adam Cole, adam.cole@usmc.mil
- Tertiary – Contract Specialist, Dashawn Perry, dashawn.r.perrywilliams.civ@usmc.mil

The Government will confirm receipt, via email, within one business day. If confirmation email is not received, please coordinate directly with the CS/PCO to resolve issues. Additional information, as applicable, will be provided to industry after review of market research data from all sources.
